

Can you see yourself running your own successful building company?

If you are enthusiastic, motivated, want to increase your income and build your wealth, then the Versatile Buildings Greymouth Franchise could be the key to your success.

Versatile Buildings is a market leading manufacturer offering a comprehensive range of engineered, timber-framed buildings for the domestic, rural and commercial sectors. As part of the Versatile network you will join a supportive group of like-minded go-getters, and enjoy the benefit of a national marketing campaign where customers are directed to your door.

If you have construction industry experience or have managed a successful medium sized business, then this could be the opening you have been waiting for.

Sound good to you? Then don't delay.
